

## Mind-Boggling 2D Collage

Poca Kim, Spring 2020

### Suggested materials:

- Please be prepared to bring some of your older pieces with you
- Any acrylic medium (usually gloss gel works better) as a glue
- Golden GAC 500 to seal the surface (recommended option)
- Scissors
- Markers (like permanent markers with variety colors if you have but black to start)
- Masking tape
- A hard board (thick paper board or glass works but wooden panel works best; the surface better be prepared with gesso; size wise the bigger is better, but not bigger than 48in in any direction if want to submit to OAS shows in future)
- Acrylic paints (oil paints optional)
- Brushes
- 1 or 2 of any size of water container to clean brushes.
