

## Figure Painting & Drawing Materials

This is an open uninstructed single pose figure session. Attendees bring materials they are most comfortable with. Some folks sit in a chair and draw in a sketchbook, others use a horse and drawing board or standing easel. We are a friendly welcoming group.

If you are new to figure painting, I recommend signing up for Friday Zoom instructed life drawing with Joanne Kollman or Saturday Expressive Painting where we go over all the essentials of figure drawing and painting.

We have easels, drawing benches and drawing boards! This is a good session to learn from other painters, see techniques and materials.
