

Brush Lettering Supply List

2021 Summer at OSA

Instructor: Nicole Pool

- Black Tombow Fudenosuke Calligraphy Brush Pen in black (these often come two-to-a-pack. You will notice the barrels are slightly different dark colors, they are both fine.)
- Tombow Dual Brush Pens in a few colors. If you would just like a few, they are sold individually in most art supply stores, otherwise pick whichever color pack you'd like.
- Smooth mixed-media paper.
