2019 Juror

SANDRA PEARCE

Sandra Pearce studied art in college, collects art books and videos, and has attended scores of workshops with renowned artists. She has painted large puppets and stage sets, and illustrated for print and magazines.

Sandra began painting en plein air nearly 30 years ago. Her early focus was nature subjects. This morphed into painting suburbia, farmland, vineyards and coastal scenes. She loves lively cityscapes and exciting industrial subjects! Through plein air, Sandra learned to see in a different way. Most importantly, how to describe the light, and express the mood or feeling experienced. Overcoming outdoor challenges is enthralling and FUN!

Sandra Pearce is an award-winning artist and featured in several publications. Her paintings are in public and private collections around the globe. She is an active member in several art associations.
