OSA FRAMING GUIDELINES FOR JURIED SHOWS

By definition, the standards for a juried show are more stringent, requiring a more professional presentation of art. In order to be accepted into a juried show and be considered for any awards, artists must adhere to the following:

- All work must be original to the artist. No class work will be accepted.
- No wet paint. No exceptions.
- Paintings must be framed to OSA standards and ready to hang:
 - Frames must have taut hanging wire (either mesh or coated) secured with D-ring style hangers 1/3 of the distance from the top of the art. Example: if the framed height of the piece is 24", the taut hanging wire must be attached at a distance 8" from the top.
 - No eye-screws, saw-tooth hangers, gummed hangers, decorative rings, nails, etc.
 - No string, electrical wire, fishing line, etc.
 - No hardware attached to art unless the art is a "gallery wrapped" canvas.
- "Gallery wrapped" canvases must have:
 - MINIMUM DEPTH: 1 ½ inches
 - Sides painted; NO raw canvas showing
 - NO staples showing
 - As with framed art, taut wire must be secured to the back of the stretchers with D-ring style hangers, and positioned 1/3 of the distance from the top.
- No ornate frames; a frame must be plain and simple, clean and undamaged so as to enhance the art, not distract from, or compete with it. Traditional, neutral or dark-colored frames work well to finish and flatter a piece of art. A frame should not be so elaborate that it overwhelms the art or is viewed as a work of art itself. Consider seeking advice from the Gallery Director prior to purchasing a frame.
- Mats must be white or off-white only. If a mat can be identified by its hue, e.g., very pale yellow, it is neither white nor off-white and may not be used. Colored mats are only appropriate as an interior liner mat, and no more than 1/4 inch may be visible. Any colored exterior mats will be rejected from a juried show.
- MAXIMUM framed dimension – 48 inches on any one side
- MINIMUM framed dimension – 11 inches on any one side
- Exception to 11 inch minimum: if one dimension is shorter than 11", any two connected sides must total 22" or more.
 - Example: 8" x 12" (8 + 12 = 20) UNACCEPTABLE
 - Example: 9" x 12" (9 + 12 = 21) UNACCEPTABLE
 - Example: 10" x 12" (10 + 12 = 22) ACCEPTABLE
- Entries with an exterior dimension larger than 22" x 28" MUST use clean Plexiglas (if appropriate to the medium) to minimize weight and potential for breakage.
- Glass and mats must be clean and free from lint, hair, spots, fingerprints, etc.
- Plexiglas may not be scratched.
- Collages must be comprised of 100% work original to the artist.
- PLEASE NOTE: Entries not meeting these specifications may be rejected at the discretion of the Gallery Director or Gallery Intake Team. Please take care that your entries meet the applicable standards above. Volunteers from the Gallery Intake Team may be able to make corrections to improperly framed art for a fee of \$10 to cover materials.
