OSA FRAMING GUIDELINES FOR GALLERY SHOWS

By definition, the standards for a juried show are more stringent, requiring a more professional presentation of art. In order to be accepted into a juried show and be considered for any awards, artists must adhere to the following. **All works must be framed to OSA standards and ready to hang.**

- **PAINTINGS**

- No wet paint. No exceptions.
- MINIMUM DEPTH: 1 ½ inches
- Sides painted; NO raw canvas showing
- NO staples showing
- As with framed art, taut wire must be secured to the back of the stretchers with D-ring style hangers, and positioned 1/3 of the distance from the top.

- **PHOTOGRAPHS (except images on glass and metal)**

- Photos must be matted, framed and ready to hang.
- Black mats are acceptable.
- Artwork that exceeds 30" in any dimension must utilize Plexiglass rather than standard glass.
- Frames for metal and glass photographs are not required, but hanging systems must be adequate for their weight.

- **ALL MEDIA (including paintings and photos)**

- All work must be original to the artist and no class work will be accepted.
- No ornate frames; a frame must be plain and simple, clean and undamaged so as to enhance the art, not distract from, or compete with it. Traditional, neutral or dark-colored frames work well to finish and flatter a piece of art. A frame should not be so elaborate that it overwhelms the art or is viewed as a work of art itself. Consider seeking advice from the Gallery Director prior to purchasing a frame.
- Mats must be white or off-white only (with exception to black mats for photography only). If a mat can be identified by its hue, e.g., very pale yellow, it is neither white nor off-white and may not be used. Colored mats are only appropriate as an interior liner mat, and no more than 1/4 inch may be visible. Any colored exterior mats will be rejected from a juried show.
- MAXIMUM framed dimension – 48 inches on any one side
- There is not minimum size required, but all works submitted must abide by all OSA Hanging Guidelines.
- Entries with an exterior dimension larger than 22" x 28" MUST use clean Plexiglas (if appropriate to the medium) to minimize weight and potential for breakage.
- Glass and mats must be clean and free from lint, hair, spots, fingerprints, etc.
- Plexiglas may not be scratched.

If you have any questions about if your artwork or framing, please contact us at 503-228-0706.

PHOTO SUBMISSION BEST PRACTICES AND EXAMPLES

- Please make sure your photos are at least 2 MB in size. A smartphone camera should do well enough under the right lighting conditions (indirect, natural light).
- When photographing your artwork please take the glass out of your frame to avoid reflections, if the work is framed. This helps us see the details in the piece. If your work is unframed, please let us know.
- Please do not filter your work in a way that does not accurately represent the work. Jpeg submissions must be identical to the artwork. If you have questions about photo editing or need recommendations, contact Chloe at cfriedlein@osartists.org
- Email your photo submissions to **Emily at efox@osartists.org**.
 - Please include the titles, framed dimensions or unframed dimensions of gallery wrapped canvas or pieces printed on metal, and sale prices.
 - Please make sure you include all of the information listed above. Works not meeting guidelines will not be accepted.
 - Please title your images as follows: LastName_Title.jpg

EXAMPLES

GOOD

- Glass is out of the frame (if framed)
- There is no reflection
- Photo is taken straight on
- Artwork is crisp and clearly visible

BAD

- Glass is still in the frame (if framed)
- Reflection is unacceptable
- Photo is taken at an angle and not straight on
- Artwork is not clearly visible
