HOW TO ENTER

- All OSA Calls to Artists will be posted online with the show details (prospectus). Please carefully read the show specific guidelines before entering.
- To enter a specific show, visit the Call to Artists tab at osartists.org and select "Enter Here" under the correct show. You will be guided to login or create an OSA account. Once logged in, scroll to the bottom of your 'My Account' page to find 'Open for Entries' and select 'Click to Enter'.
- Artists may not submit materials prior to the show details being posted online.
- Accepted mediums will be specific to the show and outlined in the show prospectus.
- Shows require an entry fee (except for the Veterans Showcase). This fee is paid online when you enter.
- Please upload JPEG photos (300 dpi) of your artwork to the linked Google form on the show's prospectus. If you do not send photographs your submission will not be accepted.
- Complete the OSA Gallery Contract Form (can be found online at: https://www.osartists.org/images/gallery/2022/2022_Gallery_Artist_Contract.pdf.) Bring this form when you deliver your work to OSA.
- Shows will also be viewable for two months online at OSAgallery.org.
- All works must meet our show framing guidelines on page 2 of the show specific prospectus. Works that do not comply will not be accepted.
- Questions? Email us at info@osartists.org

PHOTO SUBMISSION BEST PRACTICES AND EXAMPLES

- Please make sure you photos are at least 2 MB in size. A smartphone camera should do well enough under the right lighting conditions (indirect, natural light). Watch for shadows and avoid using the flash.
- When photographing your artwork please take the glass out of your frame to avoid reflections, if the work is framed. This helps us see the details in the piece. If your work is unframed, please let us know.
- Please do not filter your work in a way that does not accurately represent the work. Jpeg submissions must be identical to the artwork. If you have questions about photo editing or need recommendations, contact info@osartists.org.
- Please upload JPEG photos (300 dpi) of your artwork to the Google form linked in the show prospectus. If you do not send photographs your submission will not be accepted.

- Please include the titles, artwork dimensions (if piece will be framed, include frame in dimension measurements), and sale prices.
- Please make sure you include all of the information listed above. Works not meeting guidelines will not be accepted.
- Please title your images as follows: LastName_Title.jpg

EXAMPLES

GOOD

- Glass is out of the frame (if framed)
- There is no reflection
- Photo is taken straight on
- Artwork is crisp and clearly visible

BAD

- Glass is still in the frame (if framed)
- Reflection is unacceptable
- Photo is taken at an angle and not straight on
- Artwork is not clearly visible
