

## Watercolor Materials List

For Susan Spears class

Bring from home 3M 2040 3M masking tape from Miller paint, small roll of paper towels, #2 pencil, 1 foot ruler, scissors, 2 yogurt containers or plastic containers for water, pencil sharpener, apron, or wear old clothes.

Make sure you get the exact supplies. You can substitute colors if Merri Artist is out of one of the Graham colors. Daniel Smith and Windsor Newton are good brands, too. Make sure you get the professional grade. The colors are much more brilliant!

Order from [merriartist.com](http://merriartist.com). They are in McMinneville. My class list is at the top under Class Supply Lists. Click on "Class Supply Lists". That will bring up the teachers. Make sure you order only the watercolor list. You will see my name in the list of instructors.

Put in the coupon code "SPEARS" to get a discount of 10%!
