

**Nicole Poole**

**Weeds & Wildflowers on Sauvie Island**

**August 27 - 28, 2022**

**10:00 AM - 4:00 PM**

### **Supply List**

\*Good paper, either mixed media or watercolor. About 9x12 (can be cut or torn to smaller sizes)

\*A basic set of watercolors including some red(s), blue(s), yellow(s), purple, greens (sap green too), and an array of earth tones (umber, raw sienna, burnt umber, burnt sienna as examples. Warm and cool earth tones, lighter colors and deeper colors. I like to include warm and cool options in my paint box or tubes that I carry. For example: when choosing a red I select a warm red and a cool red. The same goes with the other colors: yellow, blue, etc.

\*Quality soft brushes. Choose some rounds that have a good point! And a flat brush if you wish; no greater than 1/2 an inch. You could also bring a Pentel Aquash water brush-medium instead or in addition.

\*Uniball signo white

\*Sketch and Wash pencil

\*Some paper towels

\*Pencil, sharpener, eraser

\*A sack lunch

\*A chair or blanket to sit on

\*Water

\*Sunhat + sunscreen
