

Pastel Class Supply list

Brenda Boylan

__ Soft Pastels: Bring as many as you can travel with including a wide variety of values, colors and brands. There are many pastel manufacturers out there and can often be overwhelming. I recommend you purchase a professional grade brand such as the 80 piece Brenda Boylan Starter Set of Jack Richeson Pastels, offered through Amazon (link below) Other brands I recommend would be the 120 piece Sennelier 1/2 stick set, or the Terry Ludwig starter set "60 Basic Values - Maggie Price" Prices vary greatly from brand and quality, and these sets listed will give you the best results. **Please tear off paper labels from pastel sticks prior class** as they interfere with your creative flow.

— NO OIL PASTELS. Please tear off paper labels from pastel sticks as they interfere with your creative flow.
